

Baron

Steel Doors & Frames

ASSA ABLOY

The Baron HD 1-Panel Door features a distinct high definition embossed design. This design makes a grand impression and adds elegance and sophistication to any room or entrance. Underneath the exterior skins is an energy efficient polystyrene core making this door an important solution to today's building requirements. Design, durability, and energy efficiency makes the Baron HD 1-Panel door a cost effective alternative to stile and rail wood doors.

Applications

Perfect for Condominiums, Assisted living complexes, Multi-family entrances, Hotels, Office buildings, and Dormitory complexes.

Features

- 20 & 18 gauge galvanized face sheets
- 2868, 2870, 3068, and 3070 available sizes
- WHI & UL fire ratings up to 1-1/2 hours
- ADA compliant designs available
